

# CHAMBER MIXERS

The July Mixer was held at the *Silver Springs Senior Living Community*, and was co-hosted by *Valor Hospice Care*. The event was very successful with over 100 of our members attending. A fabulous buffet of Mexican fare was provided by the staff at Silver Springs. The tables sported sombreros and everyone seemed to be having a very congenial, networking evening. The dining room décor was very “south of the border” festive for this Fiesta. We thank all our friends at Silver Springs and Valor Hospice for planning such a wonderful event. We continue to remind our members to RSVP as it helps the hosts with meal planning and avoids embarrassing food shortages.

*Kevin Jordan*, President of the Chamber’s Board of Directors, welcomed the members and other community leaders in attendance, gave a report of the Chamber’s activities, and introduced our newest members. Each of the new members had the opportunity to give a short speech about their business. Other members and guests were given an opportunity to share their event information with the attendees.

We wish to say a special **THANK YOU** to our members who generously donated fabulous raffle prizes. Our special thanks go out to: *Walter Henderson, P. C., Lynn Robinson of Long Realty, Betsy Mabry of Long Realty, GV/Sahuarita Chamber of Commerce, Climax Engineered Materials, Parcel Plus, GVCCC, Commerce Bank, The Retreat at Santa Rita Springs*, and our hosts *Silver Springs* and *Valor Hospice*.

**WE ALL HOPE TO SEE YOU AT  
OUR NEXT MIXER!**  
**PLEASE** remember to RSVP, as it facilitates  
our hosts and avoids embarrassing food shortages!  
And, remember to take advantage of the  
opportunity to promote your business by  
donating a raffle prize.

## How does it feel to live here? Well, this photo pretty much covers it.

While we aren't suggesting you take your hands off the wheel while driving. We do suggest you take your hands off the laundry. And the home maintenance. And the cooking. And the, well, you get the idea. Ahhhh, freedom. That's how it feels to live at Broadway Proper Retirement Community. Call now to schedule your complimentary lunch and tour. Then take a quick look at that photo again. Oh yeah.

The first, but soon to be annual Tri Chamber Mixer, was held in August at the DeAnza RV Resort in Amado. We had an attendance of over 200 people between the three Chambers of Green Valley Sahuarita, Tubac and Nogales in Santa Cruz county. A beautiful array of finger foods was provided by Esplendor Resort and Soto's Restaurant, with desserts being provided by Kokopelli's Gelato and Widsom's Restaurant. A bar was provided and staffed by **Chef Charles** of Kristofer's Restaurant. **Kevin Jordan**, President of the Chamber's Board of Directors, welcomed everyone and introduced the Executive Directors and Presidents of the other two Chambers, along with our co-hosts, **Bob and Amy Solfisburg** of DeAnza RV Resort. We wish to thank all of the Chambers for the collaborative effort to support the business communities along the I-19 corridor and hope this is the beginning of a true business partnership.

We wish to thank our members who generously donated fabulous raffle prizes for both our mixers. Our special thanks go out to: **Custom Plus, Walter Henderson, P. Feel free to drop off canned goods or non-perishable items at any time. With the holidays approaching rapidly, the food bank needs our help now more than ever.

**ATTENTION EMPLOYERS!**

Our Economic Development Committee views Workforce Development as a key element in serving our local members. We would like to facilitate a working relationship

between our local businesses and our local schools in educating our children and young adults for future career opportunities in our area.

The young adults in our local schools are eager to learn about career possibilities – and are willing to work for a prospective employer while earning school credits. Employers can interview, hire and train the prepared student as well as grade the student/trainee.

The students in our area are also interested in learning about businesses and what they do. An hour or two under your wings may very well result in that student choosing to follow in your footsteps!

Members of the Chamber, we are preparing a central list of employers willing to hire and train our local students. This is truly a win-win situation for all participants.

If you would like to be a partner in the Workforce Development program, please contact Beverly Trunick, program coordinator, at 648-7090 with your business information.
