## Co-hosted May mixer a great success!

*Green Valley Cooling & Heating, Green Valley Plumbing, Green Valley Decorative Rock and Southwestern Solar team up to co-host*

The May Mixer was a great success. There were over a hundred guests in attendance. The Mixer was co-hosted by Green Valley Cooling and Heating, Green Valley Plumbing, Green Valley Decorative Rock and Southwestern Solar. Each of the hosts donated an array of raffle prizes such as gift baskets, gift certificates, deluxe showerheads, and wine.

Green Valley Cooling and Heating opened up their new beautiful and spacious facility for the event. There was music, beer, wine and delicious food prepared by Twist and Shout. The food and the drinks were served in the warehouse and workshop area. Tables were set up for the guests to sit and enjoy their food while listening to the two piece band playing old time favorites. After networking and

food, the prizes were raffled with Kim calling the numbers.

President Bob Childs thanked the hosts, introduced new members said a few words about our successful annual dinner. He announced the June Mixer which is going to be co-hosted by Atria in Tucson and Hospice Family Care.

Pat Prill and Fran Christensen greeted the guests at the registration table and Karen Rans, Carol Stapleton, and Twyla Terven sold raffle tickets.

We would like to thank not only our gracious hosts, but the following individuals or companies who also donated raffle prizes: Arby's, Jan Petzler/Long Realty, Green Valley News & Sahuarita Sun, Chamber Volunteers Cleda Holcomb and Kathy Weinzierl, Climax Molybdenum, Silver Springs, Green Valley Canine,

Sonoita Vineyards, Walt Henderson, KGVY Radio, Parcel Plus, Cori Lee, Twist

and Shout, and Green Valley Covered RV & Storage. *See you in June!*

per week,  
 24 hours

Harnessing the power of the new social media (You Tube, Twitter, FaceBook) outlets will also be a key workshop topic.

For registration and further information contact the Green Valley Sahuarita Chamber

“In our business, **stability** is as important as performance. We get both from **Commerce Bank.**”

“When we launched Meridian in 2003, three banks wanted our business. We picked Commerce Bank because they took the time to learn about us and our needs. The other banks? They are no longer in business.

“Bottom line: They know who we are and what we do. That way, if we need help with payroll in Albuquerque or equipment in Oklahoma City, they are prepared to make quick decisions that support our business.”
